ECIL Celebrates National Technology Day

"National Technology Day was celebrated on May 11th with great fervor in ECIL.

Being a company of many firsts, ECIL Engineers celebrated the day with pride. A brochure on the new products was released on the occasion.

Shri YS Mayya, C&MD spoke on technological contributions made so far and new opportunities unfolding in strategic sectors.

Eminent Scientist from DLRL Shri Anupam Sharma gave a talk on *Enabling Technologies for meeting the objectives of Network Centric Electronic Warfare (NCEW).*"
