

Technical Workshop on CWG 2010 held at Hotel Marriott

After redeeming the trust reposed on the company in contributing to the successful conduct of the recently concluded Common Wealth Games, the management of ECIL thought it necessary to share and evaluate the experiences of the employees who participated in the project. Accordingly, a day long workshop was held at Hotel Marriott on 20th November 2010 wherein about 180 employees participated enthusiastically. The participants were drawn from all the zones, branches and regional maintenance centres. The workshop was divided into two technical sessions. Session-I was chaired by Sri G.R.Koteshwara Rao, General Manager, Instruments & Systems Group (ISG) and Session-II was chaired by Sri V.Satyanarayana, General Manager, Information Technology & Telecom Group (IT&TG). The technical sessions started after opening remarks by Chairman & Managing Director, Sri Y S Mayya and Director (Technical), Sri N S S Prasada Rao briefed on the purpose behind organizing the workshop.
