**PRESS RELEASE**

**TREE PLANTATION Programme held at ECIL's NALANDA SCHOOL COMPLEX**

Under sustainable development programme ECIL organised a Tree Plantation programme behind Nalanda Complex, ECIL Hyderabad on 12.10.2013 at 12:30 hrs.

- The area developed is 3.50 acres.
- 150 numbers of fruit bearing plants were planted.
- The varieties of plants are: Coconut, Guava, Mango, Pomegranate, Anjeer, Orange, Chickoo, Kala Jamoon, Maredu, Amla, Dabbakaya (grape fruit), Anasa, Lemon and Papaya.
- Arrangements were made to use recycled water from Effluent Treatment Plant (ETP) for watering plants.
- In future a lawn will be developed in the middle of the plantation area.

ECIL's C&MD Shri P.SUDHAKAR, Director (P) Shri V.S.B. BABU, Director (F) Shri KISHORE RUNGTA graced the function and planted trees. Executive Directors, General Managers and Heads of various functional Divisions of ECIL also participated enthusiastically in tree plantation programme.
