PRESS RELEASE

Date: 17th December, 2016

ECIL Receives 'IEI Industry Excellence Award'

Electronics Corporation of India Limited (ECIL) Hyderabad, a Government of India Public Sector Undertaking, under Department of Atomic Energy has been conferred the '**Institution of Engineers (India) Industry Excellence Award**' for the year 2016 under **Manufacturing & Processing** category for demonstrating highest order of business excellence in the field of electronics. Shri Debashis Das, Chairman and Managing Director received the Award during the 31st Indian Engineering Congress held on 16th December, 2016 at Kolkata.

ECIL is a forty nine years old high technology company with wide footprints in Atomic Energy, Defence, Space, Discovery Sciences, Security, Telecommunications, Information Technology and e-governance sectors. The IEI Industry Excellence Award is in recognition of the contributions ECIL has made to the country in achieving self-reliance in nuclear and strategic electronics and setting up bench marks in corporate governance and Social Responsibility activities.

Shri Debashis Das, C & MD, ECIL, received the Award
