Ref: Our ECIL/AP&SD Public Tender enquiry No. 14-9594 dated 26-12-2013.

Clarifications / alterations to the specifications of the tender The following clarifications were made about the tender specifications during the Pre-bid meeting on 11-01-14 at ECIL, Hyderabad

1. The number of SSD Drives to be provided in the Computer Server for demo system is relaxed to at least one.
2. The demo system should be arranged by the technically qualified vendors with in a period of 5 weeks from the date of opening of technical bid. Qualified vendors will be informed within 1 week from the date of opening of Technical bid for arranging Demo system .
3. The demo system for evaluation should be physically provided at either ECIL Mumbai or ECIL Hyderabad, remote access is not acceptable.
4. All vendors with valid offers should supply the demo system for evaluation, vendors unable to supply the demo system within the specified time limit would be disqualified from the bid.
5. The system should be delivered, installed, integrated and tested at ECIL, Hyderabad.
6. Any license if required for remote management of computer servers using IPMI should be included.
7. Backup software can be quoted as optional item, but this would not be considered in price comparison for determining the lowest bid.
8. All the Hardware should support RHEL 6.4/CentOS 6.4/Scientific Linux.
9. Switched rack PDU and rack can be from different vendor, but they should be compatible. PDU outlets should be independently switchable from the network.
10. The tape library should be accessible using standard linux commands. If any additional software is required, it should be included.
11. Soft copy of the Technical bid should be provided on CD along with hard copy.
12. The requirement for support of RAID 50 and RAID 60 in the RAID subsystem is deleted.
13. The requirement of supply of 1.35 V/Low Voltage memory modules is deleted. Standard memory RDIMMs are also acceptable.
